

# NRT INDUCTION MELTING FURNACES

**3 KG PURE GOLD**

**5 KG PURE GOLD**

**10 KG PURE GOLD**

## Technical Parameters

### INDUCTION MELTING FURNACE

-Melting Capacity: 3 Kg, 5 Kg, 10 Kg

-Warranty : 1 year

-Voltage: Hz50/60 - V380, KW 10-15-20

Melting Speed: 5-10 min

## Product Features

- 1-NRT series is advanced melting equipment for gold and silver melting.
- 2-Apply IGBT technology, stable high efficiency.
- 3-With various protection as over voltage protection, over current protection, insufficient water protection, over heating protection, safe and reliable.
- 4-Quick temp rising, electricity saving, low melting cost with high efficiency.
- 5- Digital time control, heating control, power control

**Original  
Manufacturer**

**Excellent  
Quality**

**Easy To Operate**

## TOOLS WITH THE MACHINE

**One Piece  
Crucible tong**

**Two Piece  
Water pipe**

**One Piece  
Graphite Crucible**

**One Piece  
Ceramic Crucible**
